

Are you between the ages of 16 and 24?

Want some marketable job skills?

Need your GED?

Youth Build provides young people the opportunity to work on their GED while earning a paycheck

- Tutoring is available to help students prepare for the exam and overcome any learning obstacles.
- Students learn job skills by building affordable housing in the community and other vocational activities.
- Upon completion of the program, Youth Build helps place students in jobs, apply to colleges, or both.
- Youth Build now accepting applications for June enrollment.
