Randolph County Housing Authority WV045

Supplement to Form HUD-50075-HCV

Plan for 2022

B.1 Annual Plan

Housing Needs and Strategies for Addressing Housing Needs

Housing Quality Standards: Air circulation will be checked during HQS inspections to determine adequate ventilation. Operable windows, operable screen doors, or air conditioning (A/C) will be required in the RCHA jurisdiction.

Voucher Issuance: Vouchers will be issued for 60 days. Extensions may be issued for an additional 60 days.

Rent Determination

Utility allowances will be reviewed each year and allowances revised when there is a minimum of a 10% change in cost from the prior year. The Housing Authority will develop one utility allowance for the six-county jurisdiction that is based on unit size and unit type. Gas, electric, and trash rates are standard across the six counties due to the same providers. Water and sewer tables will be averaged for each county. The new method will reduce our utility allowance schedules from 24 to 4, which will reduce time staff spends with allowances as well as reducing costs. Tenants will be able to better understand the part the allowance plays in rent determination.

Operations and Management

RCHA is becoming a Move-to-Work organization.

Informal Review and Hearing Procedures

Due to COVID-19, RCHA has continued to conduct all hearings and informal reviews virtually.

B.2. New Activities

In 2022, RCHA will be leasing up one project that was awarded eight PBVs in 2020—Firefly Commons in Elkins, in Randolph County. In 2021, RCHA awarded two PBV projects in Tucker County. Both projects are in the process of securing financing.

B.6. Progress Report on RCHA's 5-year plan

RCHA's 5-year plan for the serving the needs of low income, very low income and extremely low-income families in Randolph, Barbour, Lewis, Tucker, Pendleton and Upshur counties includes the following nine goals.

- I. Provide the Housing Choice Voucher program to very low and extremely low households in targeted region.
 - A. RCHA did not attain "High-Performer" status by utilizing at least 95% of HUD resources for rental assistance in 2019 but did come close by utilizing 94%.

SEMAP scores were not issued in 2020; however, RCHA was utilized at over 100%.

- II. Provide a Family Self-Sufficiency program to HCV program participants that have earned income or are willing to work toward having earned income and have established goals.
 - A. RCHA did not assist 25 households in 2020 with setting goals and addressing barriers to success; however, it did have 18 households active as of the end of 2020 and are currently working with 12, an increase from 10 active participants at year-end. Efforts are ongoing to recruit and support FSS participants.
 - B. RCHA struggled in 2020 and 2021 with FSS participants increasing their income due to the pandemic.
- III. Operate an HCV to Home Ownership Program that assists one new homeowner each year. There were no new homeowners created in 2020 however, during 2021, we have assisted one homeowner and currently have three in the process.
- IV. Detect fraud in the HCV program.
 - A. Utilize EIV, anonymous reports and other available sources to identify fraud.
 - B. Collect repayment on at least 25% of the confirmed fraud cases. We are not collecting 25% of repayment due to the pandemic. Many of our families lost employment and had no extra income to make a payment.
- V. Mainstream voucher program.
 - A. RCHA operates a Mainstream voucher program for non-elderly, disabled residents that is currently serving 15 residents. This program allows RCHA to serve non-elderly, disabled residents that are homeless or at risk of being homeless, working with partners in the social service and mental health fields.
- VI. In 2021, RCHA purchased the “Allegheny Apartment” building after two long years of effort. It was formerly a Mod-Rehab project and RCHA acquisition and renovation project will secure long-term affordability to extremely low and very low-income residents by using project-based vouchers to subsidize the rent. Construction started in July and completion is anticipated in June 2022.
- VII. In 2021, RCHA published a Request for Bids from developers seeking Project-Based Vouchers for new or renovated rental housing for very low and extremely low-income residents in Tucker County. Two proposals were submitted and 14 PBVs were awarded to projects in Parsons and Thomas.

- VIII. Assist individuals experiencing homelessness and work toward ending homelessness in the region.
- A. RCHA continues to sponsor and facilitate the Randolph County Coalition to End Homelessness and is now a member of the Elkins Homelessness Task Force as well.
 - B. RCHA participates in the WV Coalition to End Homelessness’s Continuum of Care activities, including training, the Annual Point-in-Time Count and Coordinated Entry. RCHA’s Executive Director sits on the WVCEH’s Steering Committee.
 - C. In 2020, RCHA continued to operate a Rapid Rehousing program in Randolph, Barbour, Upshur, Tucker, and Lewis counties to provide rental assistance and case management to people experiencing homelessness. It also added an Eviction Prevention program, working in collaboration with our nonprofit partner, Highland Community Builders. In the period January through August 2021, these programs served 76 individuals experiencing homelessness and 21 individuals at risk of eviction. RCHA served an additional 50 households at risk of eviction through a partnership with the Randolph County Commission.
- IX. Moving-to-Work—RCHA has been awarded “Moving-to-Work” status in a new demonstration program. The Supplement to its Annual Plan outlines the waivers it will use to make the program more effective for both HCV participants and the agency. These include the following:
- Standard Deductions for elderly and disabled participants
 - Alternative Utility Allowances to make rent calculations more streamlined
 - Pre-Inspections of newly constructed or renovated units
 - Housing Development as an alternative use of up to 10% of HAP dollars

Please see Randolph County Housing Authority’s MTW Supplement for more information.

B. MTW Supplement Narrative.

Plan for RCHA's Moving-To-Work Program

1. Cost Effectiveness: In order to reduce cost and achieve greater cost effectiveness in federal expenditures, RCHA would like to streamline its HCV program. Anything that saves time for staff will increase the time they have available for priority programs such as Family Self-Sufficiency outreach and support, and Section-to-Homeownership program participation. Making the program more streamlined for residents will mean less paperwork on their part, which is often an issue that delays voucher assistance or leads to unwanted terminations.

a. For Year One of MTW (FY 2022) RCHA would like to request waivers in the following areas in order to make its HCV program more cost-effective to operate:

- i. Standard Deductions for elderly and disabled participants,
- ii. Alternative Utility Allowances to make rent calculations more streamlined, and
- iii. Pre-Inspections of newly constructed or renovated units.

2. Self-Sufficiency: RCHA would like to incentivize households that have the ability to generate earned income, to do so. This will involve a work requirement but also participation in a Financial Opportunity Center to receive coaching and support in the areas of employment, benefits, and financial planning. Another incentive would be allowing households that are working and over-income to transition off the housing subsidy over a longer time period than is currently allowed. In addition, the agency would like to be able to support low-income households with an HCV subsidy when an emergency occurs, such as a house fire or natural disaster, which threatens to make them homeless or in a housing-burdened situation. Short term help could keep a household from experiencing extreme financial duress in addition to the trauma of the emergency event.

a. For Year One of MTW (FY 2022) RCHA will research the following topics but will NOT be requesting waivers:

- i. Work Requirement that would require households receiving HCV assistance that are not elderly, disabled, or single parent with young child to work at least part-time,
- ii. Mandatory Participation in a MTW Self-Sufficiency program, which will include participating in a Financial Opportunity Center offered by a partner nonprofit, and
- iii. Income Waiver to allow a period of ongoing housing subsidy once the household exceeds the existing income limits.
- iv. In addition, the agency would like to consider a set-aside of a small number of vouchers for use in emergency situations that result in short-term housing loss such as fires or natural disasters.

3. Housing Choice: RCHA is an affordable housing developer in the region, which is characterized by old and substandard rental housing stock. In addition, the 'pandemic economy' has had the effect of severely tightening the rental market. It is often difficult to secure sufficient financing to support new and renovated rent-restricted housing. Being able to utilize HAP dollars for gap financing in these circumstances would help the agency develop more units, which are sorely needed in the region.

a. For Year One of MTW (FY 2022) RCHA would like to request a waiver in the following areas in order to increase housing choices for low-income families:

i. Housing Development as an alternative use of up to 10% of HAP dollars.

b. For Year One of MTW (FY 2022) RCHA will research the following topic but will NOT be requesting waivers:

i. Vacancy Loss Payments to landlords.

All waivers and adjustments will be implemented 30 to 60 days after approval.

There were no challenged elements to any aspect of the MTW supplement.

RCHA Hardship Policy for MTW Initiative

The RCHA Hardship policy is designed to address:

- A. Utility Allowance Activities**
- B. Standard Deduction for Elderly and Disabled**
- C. All Other Activities**

All hardships requests must be made in writing, stating both the reason for the hardship and the expected duration.

Each request will be reviewed and weighed against other local resources available to the family. The result of the review may consist in referral to other local resources, an adjustment in the portion of a household's utility allowance, a change in the client's standard deduction, or relief from another determined hardship.

A. Utility Allowance Activities

In order to qualify for a hardship exemption, households must meet all of the criteria listed below.

1. The household is in compliance with all program rules and regulations
2. The household does not owe RCHA money or is current with a re-payment agreement
3. Newly calculated utility allowance falls short of covering a household's utility bills.

Approval Process for Utility Allowance Activities

- Households that meet the criteria listed above may mail, fax, hand deliver a letter, or e-mail a request to RCHA.
- RCHA staff will review the request promptly and identify the difference in an utility bill from the utility allowance.
- The new utility allowance is approved if there are no other issues. If there are other issues a further review will be conducted with consultation of the Housing Manager.

Hardship Relief for Utility Allowance Activities

If the difference between the utility allowance and the utility bill is \$10 or greater, the utility allowance will be adjusted to reflect the change.

B. Standard Deduction for Elderly and Disabled

In order to qualify for a hardship exemption, households must meet all of the criteria listed below.

1. The household is in compliance with all program rules and regulations
2. The household does not owe RCHA money or is current with a re-payment agreement
3. The standard deduction does not cover applicable expenses accrued throughout the year.

Approval Process for Utility Allowance Activities

- Households that meet the criteria listed above may mail, fax, hand deliver a letter, or e-mail a request to RCHA.
- RCHA staff will review the request promptly and identify the difference in expenses compared to that of the standard deduction.
- A new deduction amount is approved if there are no other issues. If there are other issues a further review will be conducted with consultation of the Housing Manager.

Hardship Relief for Utility Allowance Activities

If the difference between the standard deduction and applicable expenses is \$100 or greater, the deduction will be adjusted to reflect the change.

C. All Other Activities

In order to qualify for a hardship exemption, households must meet all of the criteria listed below.

1. The household is in compliance with all program rules and regulations
2. The household does not owe RCHA money or is current with a re-payment agreement
3. A hardship must be determined to exist

Approval Process for Other Activities

- Households that meet the criteria listed above
- Household communicates its believed hardship by mail, fax, hand-delivered letter, or e-mail to RCHA.
- RCHA staff will review the request promptly in order to identify if a hardship exists.

Hardship Relief for Other Activities

Supervisor approves the requested hardship if it is determined such a hardship exists. In the event a hardship is confirmed to exist, the Housing Manager and Executive Director will determine an equitable response.

If Hardship is Denied

If a hardship is denied, an individual can appeal to RCHA's Executive Director.
